

Scanfrost Kube Compact Ice Maker

Ideally suited for domestic or light commercial use. This ice maker can produce 12 ice cubes at one time. At the end of each cycle the cubes are automatically scooped into the storage basket. Water is added manually.

Features

- Full-plastic enclosure
- Full electronic control
- 13amp plug in supply
- 3 Different cube size settings
- Water fill indicator, no drain required
- Free standing, no plumbing required
