

Convection Ovens

Ideal for roasts, pizzas, pies and bakery products, Lincat's counter top convection ovens are versatile, built to last and competitively priced.

EC076

Features

- Sturdy, heavy-duty stainless steel construction
- Efficient air circulation system lowers cooking temperatures and reduces cooking times by up to a third
- Accepts 1/1 gastronorm dishes
- Pre-set hold facility automatically reduces oven temperature at the end of the cooking period
- Water injection, giving faster-rising bread with a more attractive appearance and consistency

In addition, the ECO76 model:

- Has a larger oven capacity
- Offers faster initial heat up and recovery times - ideal for cooking batch quantities from frozen

EC07

Inclusive Accessories

- 4 nickel plated wire shelves
- Water inlet hose

Optional Accessories

- **EC07/EC076** floor stand for (product code EC07/FS)
- **TA54** 1/1 gastronorm dish
