

# Electric Range

Oven ranges are at the heart of most busy commercial kitchens. So, wherever gas supply is impractical, the Silverlink 600 electric range is ideal.

Designed and constructed with easy cleaning features, it's a sturdy, stylish product that combines all the capacity you need with the reliability, efficiency and safety you've come to expect.

**ESLR9C**

## Features

### Hob

- Fully pressed and sealed hob top for easy cleaning
- Automatic power reduction, if pan boils dry or is removed - prolonging hotplate life
- Six-position switches control each plate

### Oven

- Twin fan assisted oven for uniform heat and consistent cooking results
- Removable oven base for easy cleaning
- Four shelf positions with two removable chromed rod shelves
- Side opening doors give safe, easy access
- Large capacity oven with vitreous enamelled interior for increased productivity and easy cleaning
- Precise thermostatic control from 50°C to 250°C
- Legs at front and castors at rear allow easy movement for cleaning

## Essential Facts & Figures

### Electric Range

Model	Total Power (kW)	Power per hotplate (kW)	Oven Power (kW)	Width (mm)	Oven internal dimensions HxWxD (mm)	No. of hotplates
ESLR9C	16.5	3 x 1.5 (rear) 3 x 2 (front)	6	900	410 x 670 x 340	6

## Inclusive Accessories

- Two chromed rod shelves

## ESLR9C

Rear castors allow easy movement for cleaning

Twin fan assisted oven for even cooking

Fully pressed, wipe-clean dished hob

## Technical Specifications
