## Upright Service Cabinets

Ideal for outlets where full height storage is a necessity, without approaching the cost associated with a stainless steel cabinet. Despite being priced economically, these units are of true commercial construction offering high capacity and durability.

### Features

- Push-in/Pull-out door gasket
- Fan assisted interior on chiller units
- 5 adjustable shelves on CSC390 (fixed on CUF366)
- LCD digital thermometer
- ABS interior on CSC390

### Options

- Additional shelves for CSC390
- Reverse hanging of door

## Upright Service Cabinets With Stainless Steel Door

Ideal for outlets where full height storage is a necessity, but the added durability of a stainless steel front to the cabinet is needed. Featuring true commercial construction and a Stucco aluminium inner liner. High capacity and durability are key features.

### Features

- Push-in/Pull-out door gasket
- 304 grade stainless steel door
- Fan assisted interior on chiller units
- 5 adjustable shelves on CSC 407 (fixed on CUF 367)
- Stucco aluminium inner liner
- Lockable doors
- Digital thermometer

### Options

- Additional shelves (not CUF 367)
- Reverse hanging of door
